Foliage

Photographs, not drawings. Each is put through a periodic decomposition so it repeats exactly — no mirroring, no blended seam, no cloned patches. Repeat size is limited by the source: the recommended figure on each design is the largest it will hold at 150 dpi. Beyond that, print coarser or shoot larger.

Leaf

5 designs

Available on

WCV	Type II 20 oz Textured Vinyl Wallcovering · 52 in web
MWC	Mylar Wallcovering · 52 in web, gold or silver foil ground
RWC	Residential Wallcovering · 27 in, 27 ft bolts
PNL	Standard Fabric Wrapped Panel · 48 in
ACP	Acoustic Fabric Wrapped Panel · 48 in · NRC 0.95
AVP	Acoustic Vinyl Wrapped Panel · 48 in

Scale and repeat

Every Foliage design is a true seamless repeat. Each page shows the design at its large repeat, with small, standard and large scales below; any repeat from 2 to 52 in can be set. A repeat that divides the 52 in web (52, 26, 17.3, 13 in) matches drop to drop with no part repeat at the selvage.

Scale and colour

Every InkSonics® collection is scalable and colour-definable in the Ink-Tuitive® Studio at www.ink-tuitive.com. The six colourways on each page are starting points: set the repeat, and set ink, ground and accent to any colour or to a supplied chip.

Specification

Codes read `PRODUCT-COLLECTION-PATTERN-REPEAT-WEIGHT-COLOURWAY` . Put the product code from the table above in front of the code on each page.

SAMPLES AND SPECIFICATION

Every InkSonics® design, your colour, your scale.

Every design in the InkSonics® portfolio, Foliage included, is scalable and colour-definable in the Ink-Tuitive® Studio at www.ink-tuitive.com: set the repeat, set the ink, ground and accent, preview it on your elevation, and request a printed sample on the product you are specifying.

Printed samples ship with the full specification code, so what you approve is what is made.
