Folk Garden

One design, six colourways. Outlined blooms, star flowers, buds and daisies crowded over wandering stems, every motif drawn with its own line and interior marks. It carries its own ground, so these are fixed colourways rather than a pattern you recolour — pick the one that suits the room.

Scale and repeat

Every Folk Garden design is a true seamless repeat. Each page shows the design at its large repeat, with small, standard and large scales below; any repeat from 2 to 52 in can be set. A repeat that divides the 52 in web (52, 26, 17.3, 13 in) matches drop to drop with no part repeat at the selvage.

Scale and colour

Every InkSonics® collection is scalable and colour-definable in the Ink-Tuitive® Studio at www.ink-tuitive.com. The six colourways on each page are starting points: set the repeat, and set ink, ground and accent to any colour or to a supplied chip.
