Large Format

Designed for a 24-inch repeat rather than scaled up to one. Each tile carries four to six times the incident of a standard pattern, so the design resolves at room distance instead of turning coarse. Medallion is a centred motif on a field, Botanical is stem and bloom at architectural scale, Stone is slab figure. Selecting one sets the repeat to its recommended size.

Scale and repeat

Every Large Format design is a true seamless repeat. Each page shows the design at its large repeat, with small, standard and large scales below; any repeat from 2 to 52 in can be set. A repeat that divides the 52 in web (52, 26, 17.3, 13 in) matches drop to drop with no part repeat at the selvage.

Scale and colour

Every InkSonics® collection is scalable and colour-definable in the Ink-Tuitive® Studio at www.ink-tuitive.com. The six colourways on each page are starting points: set the repeat, and set ink, ground and accent to any colour or to a supplied chip.
