Mirror

One accident, doubled. A mass of ink is drawn once and then reflected or turned about a point, which is what makes something irregular read as deliberate. Blot is a single fold, Kaleidoscope turns it four, six or eight ways, Facet breaks it into planes. The motif is drawn to sit inside its own cell, so an irregular form still tiles exactly.

Scale and repeat

Every Mirror design is a true seamless repeat. Each page shows the design at its large repeat, with small, standard and large scales below; any repeat from 2 to 52 in can be set. A repeat that divides the 52 in web (52, 26, 17.3, 13 in) matches drop to drop with no part repeat at the selvage.

Scale and colour

Every InkSonics® collection is scalable and colour-definable in the Ink-Tuitive® Studio at www.ink-tuitive.com. The six colourways on each page are starting points: set the repeat, and set ink, ground and accent to any colour or to a supplied chip.
