Modern

1870 to 1940. Impressionism broke the surface into light, Art Nouveau bent it, Cubism took it apart, Art Deco squared it back up, and Surrealism let it dream. Drawn in each movement's idiom rather than after any particular painting.

Scale and repeat

Every Modern design is a true seamless repeat. Each page shows the design at its large repeat, with small, standard and large scales below; any repeat from 2 to 52 in can be set. A repeat that divides the 52 in web (52, 26, 17.3, 13 in) matches drop to drop with no part repeat at the selvage.

Scale and colour

Every InkSonics® collection is scalable and colour-definable in the Ink-Tuitive® Studio at www.ink-tuitive.com. The six colourways on each page are starting points: set the repeat, and set ink, ground and accent to any colour or to a supplied chip.
