

AN INKSONICS<sup>®</sup> COLLECTION · 12 DESIGNS

# Modular

A tile grammar rather than a drawing. Every cell holds one move — a quarter disc, an arc, a lens, a ring — and the composition is the order they fall in. It tiles by construction, so the repeat is exact at any scale, and it takes flat colour better than anything else in the library: two tones for a Bauhaus register, or pick a palette and the whole grid recolours.
