Nature's Hand

The same source material left irregular. Nothing here sits on a grid — leaves fall where they fall, veins branch where the stone gave way. Every design is still a true seamless repeat, but the eye reads it as texture rather than pattern.

Scale and repeat

Every Nature's Hand design is a true seamless repeat. Each page shows the design at its large repeat, with small, standard and large scales below; any repeat from 2 to 52 in can be set. A repeat that divides the 52 in web (52, 26, 17.3, 13 in) matches drop to drop with no part repeat at the selvage.

Scale and colour

Every InkSonics® collection is scalable and colour-definable in the Ink-Tuitive® Studio at www.ink-tuitive.com. The six colourways on each page are starting points: set the repeat, and set ink, ground and accent to any colour or to a supplied chip.
