Scalable and colour-definable
in the Ink-Tuitive® Studio

Painterly

Built the way a painting is built rather than the way a pattern is: mass before line, tiles four times larger so the repeat never announces itself, brush shapes with real pressure variation, and marks that cluster and leave voids instead of spacing themselves evenly. Ground is tone alone, Mark is the loaded brush, Dapple is light rather than pigment, and Scumble is what happens when you go back into it.

Scale and repeat

Every Painterly design is a true seamless repeat. Each page shows the design at its large repeat, with small, standard and large scales below; any repeat from 2 to 52 in can be set. A repeat that divides the 52 in web (52, 26, 17.3, 13 in) matches drop to drop with no part repeat at the selvage.

Scale and colour

Every InkSonics® collection is scalable and colour-definable in the Ink-Tuitive® Studio at www.ink-tuitive.com. The six colourways on each page are starting points: set the repeat, and set ink, ground and accent to any colour or to a supplied chip.
