Hand Block

Geometry drawn by hand rather than by machine. Every line carries a wobble, every painted edge is slightly uneven, and the motifs are deliberately simple and large — check, arch, scallop, herringbone, dash. Where Nature's Geometry is a drafted line, this is a loaded brush following a straight edge, and it is the register most residential and hospitality work asks for.

Scale and repeat

Every design is a true seamless repeat and can be specified at any width from 2 to 52 in. Pages show each design at a standard 12 in repeat, with small (6 in) and large (24 in) shown for comparison.

Scale and colour

Every InkSonics® collection is scalable and colour-definable in the Ink-Tuitive® Studio at www.ink-tuitive.com. The six colourways on each page are starting points: set the repeat, and set ink, ground and accent to any colour or to a supplied chip.

Specification

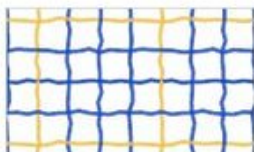

Codes read `PRODUCT-COLLECTION-PATTERN-REPEAT-WEIGHT-COLOURWAY` . Put the product code from the table above in front of the code on each page.
